SUMMARY

IT Instructor and Teaching Assistant with 4 years of experience delivering academic and technical training across universities, private institutes, and government skills programmes. Taught a diverse range of subjects including Python, SQL, Java, Kotlin, MS Office, and programming fundamentals, complemented by hands-on lab instruction and student assessment. Holds an MS in Data Science. Skilled in lab setup, course delivery, and curriculum development, with a consistent record of improving student learning outcomes.

WORK EXPERIENCE

Python Trainer (Part-time, Contract)

Jan 2025 – Present

PITP — CM Sindh Initiative, Ministry of Information Technology, Government of Sindh

- Delivering Python training as part of the Chief Minister Sindh's digital skills programme.
- Covering Python fundamentals through basic to advanced topics including data manipulation, analysis libraries, and practical project work.

Teaching Assistant (Computer Science)

Jul 2024 – Jan 2026

Mehran University of Engineering and Technology (MUET), Jamshoro

- Assisted in delivering courses and labs including Data Science with Python, Data Structures, Information & Communication Technology, Object-Oriented Programming, and Programming Fundamentals.
- Supported faculty in analyzing Outcome-Based Education (OBE) assessments and preparing student performance reports.
- Prepared assessment reports aligned with CLO and PLO attainment requirements.

Trainer (Data Science)

Jan 2025 – Mar 2025

PITP Mehran UET, Jamshoro

- Delivered Data Science training covering Excel for analysis, Python (basic to advanced), and key libraries: NumPy, Pandas, Matplotlib, Seaborn, and Scikit-learn.
- Guided students through real-world projects and mentored them on portfolio and LinkedIn optimization to improve employability.

Instructor (IT)

Jul 2023 – Jun 2024

IT Industry Readiness Bootcamp, Sukkur IBA

- Delivered hands-on training in Web Development (HTML, CSS, Bootstrap, JavaScript, databases) and Mobile App Development (Kotlin for Android).
- Delivered Data Science training including Excel, Python (basic to advanced), and ML libraries (NumPy, Pandas, Matplotlib, Seaborn, Scikit-learn).
- Mentored students on real-world projects, portfolio building, and LinkedIn optimization while sharing industry insights.

Instructor (MS Office)

Aug 2022 – Jun 2023

Imagine Institute of Science and Technology, Hyderabad

- Delivered hands-on training in MS Office applications, including Excel, Word, PowerPoint, and Access.
- Trained students in advanced Excel features including Power Query for data transformation, PivotTables for summarization, and dashboard development with KPIs for business reporting.
- Guided students in building automated reports and professional presentations for analysis and documentation.

EDUCATION

Master of Science in (Data Science)

Jan 2024 – Jul 2026 (Completed)

Mehran University of Engineering and Technology (MUET), Jamshoro

GPA: 3.13

Bachelor of Science in (Information Technology)

2017

University of Sindh, Jamshoro

GPA: 3.00

SKILLS

Programming & Development

- Python (Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn)
- SQL (data extraction and reporting queries)
- Java/Kotlin (Android app development)
- Web Development (HTML, CSS, Bootstrap, JavaScript, databases)

Data Analysis

- Data cleaning, filtering, and quality checks
- Exploratory Data Analysis (EDA)
- Machine-learning

MS Office

- Word, PowerPoint
- Excel (advanced functions, Power Query, PivotTables, dashboards, KPIs)

Tools

- Git & GitHub (version control)

Teaching & Professional

- Course and lab delivery; lab setup and management
- Outcome-based assessment (CLO/PLO mapping)
- Technical mentoring and knowledge transfer
