

NADIA MEMON

Research Assistant & Educator | Web Developer Trainer

Hyderabad, Sindh, Pakistan | +92 305 3528852 | nadiyamemon09@gmail.com | nadia.memon@admin.muett.edu.pk

PROFESSIONAL SUMMARY

Academic professional with experience in teaching, research, and academic support in the field of Computer Systems Engineering. Specialized in Artificial Intelligence, Computer Vision, Machine Learning, Deep Learning, Data Analytics, and Web Development. Experienced in curriculum delivery, laboratory instruction, student mentoring, and supervising undergraduate projects. Actively involved in conducting technical workshops, developing AI-based research solutions, and contributing to academic and institutional activities. Passionate about applying emerging technologies to solve real-world problems while fostering innovation, critical thinking, and practical learning among students.

WORK EXPERIENCE

Research Assistant (On Contract) | Mehran University of Engineering and Technology *Oct 2024 – Present*

- Deliver undergraduate lectures and supervise final-year project teams in engineering and computing disciplines.
- Supervised student capstone projects including IoT-based health monitoring, robotic control, and access-control systems.

Web Developer | leadee.co *Aug 2024 – Oct 2024*

- Built and maintained client websites using WordPress and Wix, focusing on responsive design and usability.

Web Developer Trainer | Dotcom Institute of IT *Jan 2023 – Jun 2024*

- Trained students in web development fundamentals, including HTML/CSS, jQuery/AJAX, and WordPress.
- Designed practical, hands-on coursework to build job-ready development skills.

Web Designer & Developer | letsGrowMore Pvt. Ltd. *Sep 2022 – Oct 2023*

- Designed and developed websites, translating client requirements into functional, user-friendly interfaces.

ACADEMIC AND PROFESSIONAL RESPONSIBILITIES

- Department OBE Coordinator – Coordinating Outcome-Based Education (OBE) implementation, CLO–PLO assessment, and accreditation documentation to ensure continuous quality improvement and compliance with academic quality standards.
- Deliver undergraduate courses including Software Development, Algorithms and Complexity, Database Systems, Software Engineering, Digital logic and Design, and Cloud Computing.
- Supervise undergraduate Final Year Projects (FYP), in software systems, AI, and data analytics.
- Contribute to curriculum design and revision as an active member of the Curriculum Review Committee (CRC).
- Organize and manage academic activities including project exhibitions, workshops, and seminars.

EDUCATION

Master of Engineering, Information Technology | MUET, Jamshoro *Jan 2026 – Ongoing*

Bachelor of Engineering, Computer Systems Engineering | MUET, Jamshoro *Nov 2016 – Dec 2020*

SKILLS

Technical: Web Development, WordPress & Wix, jQuery/AJAX, C++, C#, Python/R, Data Visualization, Power BI, Oracle Financials Cloud

Analytical & Domain: Data Science, Data Collection & Analysis, IFRS, Cost-Benefit Analysis, Value at Risk (VAR), Financial Analytics, Risk Assessment & Management, Human-Computer Interaction

Focus Areas: Artificial Intelligence, Blockchain, Fintech, Business Intelligence

Interpersonal: Empathy, Conflict Resolution, Teamwork, Adaptability, Networking

Languages: Sindhi & Urdu (Native); English (Reading/Writing: C1, Listening/Speaking: B2)

KEY PROJECTS

- Automatic Timetable Generation — Web-based application for automated scheduling.
- MUET FYP Smart Assist — Android-based application to support final-year project management.
- Intelligent Vehicle Parking Management — Sensor and Arduino-based smart parking system.

CERTIFICATIONS & MEMBERSHIPS

- Registered Engineer, Pakistan Engineering Council
- Web Design and Development — Dotcom Institute of IT
- Networking Fundamentals — Microsoft Technology Associate

CONFERENCES, SEMINARS & WORKSHOPS

- Outcome Based Education System
- Financial Literacy Among Engineering Students
- INCCST'25
- Artificial Intelligence Essentials
- One-Day Qualitative Research Training Workshop
- Professional Development in Critical Thinking and Tech Skills

VOLUNTEERING

- TEDxMUET — Delegate
- Model United Nation — Delegate, MUET
